

Instructor Competence Framework - August 2018

Beadesert holds an AALA Licence, Adventure Mark & LOTC Quality Badge for the activities we instruct.

We also enable visiting's groups & organisation to instruct their own activities by providing the hire of equipment.

Part One of this document sets of Beadesert expectations for groups providing their own instructor when hiring Beadesert equipment and facilities.

Part Two provides an overview of the competences of Beadesert Instructors hold to run activities.

Part One – Group providing their own instructor when hiring Beaudesert equipment and facilities.

Our terms and conditions say any organisation or group hiring Beaudesert equipment are responsible for ensuring the competence of instructors and completing their own risk assessments, but as a minimum the Beaudesert risk assessment will be followed.

We expect visiting groups & organisations to hold appropriate insurance and have procedures of ensuring their instructors are competent for the activities they are providing.

There are a few activities we insist on seeing qualifications & insurance. These are:

Activities	Qualifications & Experience
Abseiling	Mountain Training – Climbing Wall Instructor with Abseil Module; or higher
Air Rifles	NSRA YPS Tutor, or higher
Archery	Archery GB Instructor Award, or higher
Climbing Wall	Mountain Training – Climbing Wall Instructor; or higher
Raft Building	BCU - Paddle sport Instructor (L1), and additional training in Raft Building by BCU Coach Award (L2)

Part Two - An overview of the competences of Beaudesert Instructors hold to run activities.

Our instructors are trained to run activities safely. We follow best practice by risk assessing our activities and creating safe ways of instructing the activities. We review and adopt relevant national guidelines for each activity. Senior Staff are experienced and qualified in a range of activities. All our activities have a named Technical Adviser.

All our instructors will have been approved to lead or assist activities by a Technical Adviser Approved Scheme.

Our safety systems have been externally inspected, and we hold an AALA Licence, Adventure Mark & LOTC Quality Badge.
