

Revision Weekend Residential for School & College Students.

Fully Catered Lodge accommodation

Revision weekends help keep students focused and engaged on their work. There are also lots of opportunities to take part in adventurous activities over the weekend.

We can set your accommodation building up as a classroom as well as ensuring your young people are entertained in the evenings. We will design the programme to enable the young people to focus on their studies with you and then 'get outside' and do something physically challenging.

tir 2 Nights £73.00 per person w until 31 March 2019.
